

GEMINI SERIES

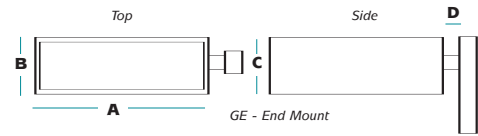

The Gemini Series of low pressure sodium luminaires meet the highest standards of reliability and performance, at a price that fits today's construction budget.

Fixture Specifications

- Formed aluminum housing
- Tool-free easy access doorframe assembly
- Clear, tempered flat glass lens sealed with silicone gasketing
- Anodized aluminum reflector
- Luminaire finished in weatherproof powder-coat paint
- High power factor ballast with -20°F starting
- Works well with most poles when retrofitting
- Consult factory for glare shield options
- Lamp and arm included
