

MAXICUBE

Bold and unconventional styling define the Maxicube Series. Designed to offer high performance in a sleek, vertically-lamped luminaire. Provides an outdoor area lighting solution that is as attractive as it is unique. The Maxicube Series is an ideal choice for restaurants, retail, petroleum and automobile dealerships.

Fixture Specifications

- Formed aluminum housing
- Access to lamp and ballast compartments through hinged door assembly
- One-piece tempered glass lens and forward throw distribution for maximum performance with minimal back light
- Luminaire finished in weatherproof powder-coat paint
- Available with color band accent stripe
- Available with photoelectric control
- Consult factory for glare shield options
- Lamp and arm included
- UL listed for wet locations
