

# MAXICUBE

Bold and unconventional styling define the Maxicube Series. Designed to offer high performance in a sleek, vertically-lamped luminaire. Provides an outdoor area lighting solution that is as attractive as it is unique. The Maxicube Series is an ideal choice for restaurants, retail, petroleum and automobile dealerships.

## Fixture Specifications

- Formed aluminum housing
- Access to lamp and ballast compartments through hinged door assembly
- One-piece tempered glass lens and forward throw distribution for maximum performance with minimal back light
- Luminaire finished in weatherproof powder-coat paint
- Available with color band accent stripe
- Available with photoelectric control and polycarbonate shield (consult factory)
- Consult factory for glare shield options
- Lamp and arm included
