

# VISION

Square, vertical lamp luminaire for canopies, parking garages, walkways, entrances, auto service departments and loading docks.

## Fixture Specifications

### FEATURES

- Square, formed and welded aluminum housing.
- Extruded aluminum door gasketed to housing. Concealed hinge door secured with captive screw. Optional quick-release latch for ground serviceability. Drop pattern acrylic lens provides symmetric light distribution.
- Specular, anodized aluminum reflector with vertical lamp for high performance.
- Ceiling surface mount not for thru-wiring.
- Mogul porcelain socket, pulse rated with spring-loaded, nickel-plated center contact and reinforced lamp grip screw shell.
- CWA type ballast, HPF, starting rated at -20 °F.
- TGIC thermoset polyester powder paint finish with choice of two standard colors. Consult factory for other colors.
- UL and CSA listed for wet locations.
